

Summer Feeding Program 2017

Citrus County School's Food and Nutrition Services will be participating in the Summer Feeding Program during the months of June and July.

Nutritionally balanced meals will be provided to all children regardless of race, color, national origin, sex, age or disability during Summer vacation when school breakfasts and lunches are not available. **All children 18 years old and younger are eligible for meals at no charge at an Open Site** and there will be no discrimination in the course of the meal service. The programs are only approved for geographical areas of need where 50 percent or more of the children qualify for free and reduced price meals during the school year. The goal is to make sure no child goes hungry.

The sites that are offering meals are as follows:
